DATE MAILED: 06/30/2004				

Please find below and/or attached an Office communication concerning this application or proceeding.

**Request for Information**1  
2

3       The Applicant(s) and the assignee, if any, are required under 37 CFR  
4       1.105 to provide the following information that the examiner has determined is  
5       reasonably necessary to the examination of this application:

6           a.      A copy of the Next Generation I/O Link Architecture Specification:  
7                   HCA Specification, Revision 1.0, as set forth by the NGIO Forum on May  
8                   13, 1999 (see specification at page 9 lines 19-20 and claim 23).  
9           b.      A copy of the relevant portions of the InfiniBand™ Specification,  
10                  scheduled to be published in October 2000, describing the operations of  
11                  adapters (see specification at page 9 lines 10-11 and claim 23).  
12           c.      A copy of the relevant portions of the Virtual Interface (VI)  
13                  Architecture Specification describing the operations of adapters (see  
14                  specification at page 9 lines 10-11 and claim 23).  
15           d.      Copies, if any, of InfiniBand™ related documents that were used by  
16                  the Applicants in the invention process that were available prior to the  
17                  scheduled publication of the InfiniBand™ Specification in October 2000.

18       In responding to those requirements that require copies of documents,  
19       where the document is a bound text or a single article over 50 pages, the  
20       requirement may be met by providing copies of those pages that provide the  
21       particular subject matter indicated in the requirement, or where such subject  
22       matter is not indicated, the subject matter found in the Applicants' disclosure.

1           The fee and certification requirements of 37 CFR 1.97 are waived for  
2 those documents submitted in reply to this requirement. This waiver extends  
3 only to those documents within the scope of this requirement under 37 CFR  
4 1.105 that are included in the Applicants' first complete communication in  
5 responding to this requirement. Any supplemental replies subsequent to the first  
6 communication responding to this requirement and any information disclosures  
7 beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee  
8 and certification requirements of 37 CFR 1.97.

9        The Applicants are reminded that the reply to this requirement must be  
10      made with candor and good faith under 37 CFR 1.56. Where the Applicants do  
11      not have or cannot readily obtain an item of required information, a statement  
12      that the item is unknown or cannot be readily obtained will be accepted as a  
13      complete response to the requirement for that item.

14        This requirement is subject to the provisions of 37 CFR 1.134, 1.135, and  
15      1.136 and has a shortened statutory period for response of **TWO (2) MONTHS**.  
16      EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR  
17      1.136(a).

19 Any inquiry concerning this communication or earlier communications from  
20 the examiner should be directed to Andrew Caldwell, whose telephone number is  
21 (703) 306-3036. The examiner can normally be reached on M-F from 9:00 a.m.  
22 to 5:30 p.m. EST.

If attempts to reach the examiner by phone fail, the examiner's supervisor, Glenton Burgess, can be reached at (703) 305-4792. Additionally, the fax numbers for Group 2100 are as follows:

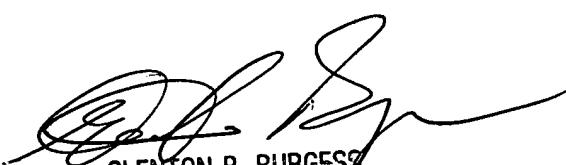

28 Fax Responses: (703) 872-9306

Art Unit: 2151

1  
2 Any inquiry of a general nature or relating to the status of this application  
3 should be directed to the Group receptionist at (703) 305-9600.
